Greetings from your President...

We are a group that likes to roll up our sleeves and get it done! May was filled with tree labeling, planting, landscaping, and painting! Plus, lots of plant, bike, and pancake sales! Did we overextend ourselves? Maybe we did, but it was worth it when we see our accomplishments. 90% of our Kiwanis Club members were able to volunteer this month!

Our group also voted on our upcoming slate of officers and new board members, effective October 2023. Congratulations to Don Laubacher-upcoming President, Barb Baley - upcoming Vice President, Terry Bennett-continuing Treasurer, Denny Bloomer - continuing Assistant Treasurer, Jerry Baley – continuing Secretary. Congratulations to new board members Jenny Loveland, Jeff Sprungl, and Mike Marks.

Finally, one of our biggest accomplishments in May was inducting 3 new members into our Kiwanis Club: Kyle Kaczmarek, Mary Beth Kaczmarek, and Ann Raab. We welcome you and are so glad you are here!

Bath Richfield Kiwanis Spring Service Projects

May was filled with two wonderful Service Projects and our annual Memorial Day Pancake Breakfast Fundraiser. The following post was from Shelter Care in thanks for our landscaping project at Street Outreach Services: Posted from Shelter Care

A BIG thank you to Bath-Richfield Kiwanis, Immaculate Heart of Mary Parish, Tallmadge United Methodist Church and SPAN Ministries for serving the youth and young adults in our programs through landscaping! Our surroundings make such an impact on our health and well-being. Thank you for helping to make our spaces welcoming, comfortable places for our youth and young adults to be!

Girl Scouts.

Painting a Cabin at Camp Ledgewood, a Girl Scout Residential Camp located in the heart of Cuyahoga Valley National Park in northeast Ohio were five ambitious Kiwanians including Jerry Baley, Sandy Norris, Terry Bennett, Mike Pantaleano and our Service leader Jeff Sprong!

MEMORIAL DAY PANCAKE BREAKFAST

So many Kiwanians worked tirelessly at our Memorial Weekend Pancake Breakfasts. Saturday Set up, Sunday and Monday cooking, cleaning up, selling tickets, selling flowers, moving furniture, decorating the hall, greeting guests, cleaning tables it goes on and on. Every person was needed and appreciated for pitching in to make this event a success. Thanks to the Kaczmarek Family Kyle, Mary Beth, George and Logan for their financial sponsorship and their hard work both days!!! We are so glad you have joined us in our mission to improve the world, one community and one child at a time!!
